Platt et al. : DECISION ON PETITION
Application No. 10/009,908 :
Filed: September 19, 2002 :
Title: POWER SAVING LEADS :
STATUS MONITORING :

This is a decision on the PETITION TO REVIVE ABANDONED APPLICATION UNDER THE PROVISIONS OF 37 C.F.R. § 1.137(b) filed March 10, 2005, to revive the above-identified application.

The petition is **GRANTED**.

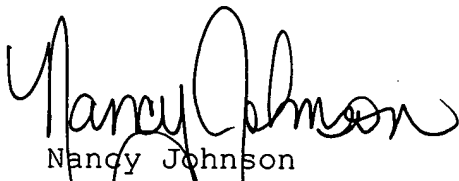

The above-identified application became abandoned for failure to timely pay the required issue fee as required in the Notice of Allowance and Issue Fee Due, and failure to timely submit a new formal drawing as required in the Notice of Allowability. Both notices were mailed January 26, 2004, and both notices set a nonextendable period for reply of three (3) months from their mailing date. No reply having been received, the above-identified application became abandoned on April 27, 2004. A Notice of Abandonment was mailed on June 8, 2004.

With the petition, petitioner paid the issue fee, filed the corrected formal drawing, and met all other requirements for a grantable petition under 37 C.F.R. §1.137(b).

The corrected formal drawing, filed March 10, 2005, has been approved by the Draftsperson. The Issue Fee Transmittal Form (PTOL-85B) submitted March 10, 2005, is acknowledged and made of record.

The application file is being forwarded to the Publishing Division for processing into a patent.
